Reviewed and Approved by Governors of Climate committee February 2019 – Next review due:- February 2020

## **This is how we stay safe when we use computers or tablets:**

I will ask a teacher or suitable adult if I want to use the computer or a tablet.

I will only use activities that a teacher or suitable adult has told or allowed me to use.

I will take care of the computer and other equipment.

I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong.

I will tell a teacher or suitable adult if I see something that upsets me on the screen.

I will NOT take photos of myself or other people without the teacher's and person's permission.

I know that if I break the rules I might not be allowed to use a computer or tablet again.

I will not give out any personal details (such as name, school name or where I live) to people I talk to using ICT equipment.
