

Year 2 Topic Web

Science

We will be looking at different types of materials. Investigating the properties of materials and how this affects their suitability for the different jobs.

History

We will be looking at the *Great Fire of London* and what caused the fire. Through this we will be looking at the different types of evidence historians use.

ICT

We will be exploring photography. We will learn how a camera works, what makes a good photograph and how to edit and save photographs.

Reading

We will continue to focus on reading comprehension and guided reading.

We will develop our skimming and scanning skills and finding evidence in the text to support our answers.

Art

We will be learning about collaging. We will have a go at collaging using different materials and mixed media to create different effects.

Fire Fire!

RE

We will be learning about different creation stories. We will retell stories and learn how we can look after our world.

PSHE

The focus for this half term is 'Being Safe'. We will explore the different ways in which we can keep ourselves safe; what 'privacy' means and their right to keep things private; what to do if they're worried and who they can approach for help.

English

We will be working on fictional story writing this half term and asking children to write a story.

Children will follow, read and write recipes linked to our topic.

PE

One session a week will be focusing on indoor dance skills linked to *The Great Fire of London*.

Outdoor P.E. will continue to be on a Tuesday and children will require warm outdoor clothing including hats and gloves if appropriate.
