Goals can be big and will take a long time to achieve, or they can be smaller and only take a little practice to achieve. Many people can help us reach our goals and we have already learnt to do so many things we couldn't do as we have grown up and practiced new things. Discuss any goals you and your child have achieved since working at home. It could be linked to the new skills they have tried, new words they can sight read, helping around the house etc. Draw a picture and write a sentence about a goal you have achieved since learning at home. (Linked to independent write.)</p>
