

Phonics Photos

How to play: give your child an old camera or your phone. Ask your child to go on a hunt and take photos of things that start with a certain sound, or the actual letter in the environment. You could use a timer and then come together and look through the photos together, discussing what they have found.

Resources Included: 1 instruction card

Resources needed from home: camera/phone

Key skills involved in this game: Letter/sound recognition, sound isolation, matching sounds with letter names.

Vocabulary/key questions to ask: sound, phoneme, grapheme, initial sound.

Extra challenge: Can you write the sound?
